

Engineering Drawing

Section Views Drill 1

The bushing measures 0.50 OD with a 0.25 ID and is 0.63 long.

Dimensions shown in the 3D model:

- 0.700 (Total length)
- 0.300 (Length of the central hole)
- 1/32 x 45° chamfer Both sides (Chamfer specification)
- 0.100 (Distance from the chamfer to the start of the hole)
- 0.100 (Distance from the end of the hole to the chamfer)
- Ø3.000 (Outer diameter of the bushing)
- Ø1.000 (Inner diameter of the hole)
- Ø0.5000 (Inner diameter of the hole)

The drawing includes a 3D perspective view of a blue bushing with a central hole and chamfered ends. The bushing is positioned on a grid. To the right of the 3D model is a large grid area for drawing the section views.
