

Get multiple ladder safety certificates from the American Ladder Institute

Step 1: Go to <http://www.laddersafetytraining.org/>

Step 2: Press the New User button

Step 3: Input your first name, last name, street address, city, state (province), zip (postal code), and country. Company (organization), position and industry are optional.

Step 4: On the next page, enter and confirm your email address. Also, input and confirm your password. Check the "I agree to the terms of use" for the American Ladder Institute's Ladder Safety Training website. Push the Complete Registration button.

Step 5: Open your email and activate your ladder safety training account.

Step 6: Go to <http://www.laddersafetytraining.org/> and key in your email address and password.

Step 7: Select the Stepladder Training Module and read the overview.

Step 8: Take the pretest.

Step 9: Since you probably did not score 100%, watch the training

Step 10: Take the test and score 100%. Print the certificate twice. Once for your own records and once for your personnel file at work.

Step 11: Repeat steps 7 through 10 for the Single and Extension Ladder Safety.

Step 12: Repeat steps 7 through 10 for the Articulated Ladder Safety.
