Dear Graduate,

This release form gives World Class CAD authorization to obtain a copy of your college transcript to determine if you have met post certification to acquire a World Class CAD certificate. This post certification is based on The World Class CAD standard and our grading scale.

The grading scale is based on if you have achieved a grade in the 2D, 3D, Lisp and VBA coursework with a grade of B+, A-, or A+ in the training program of your college. Upon meeting this certification you will be able to acquire a World Class CAD certificate for AutoCAD from The World Class CAD company.

In addition to your certification, after you have received your World Class CAD certificate you can be listed as a CAD testing proctor on the company's website to test other CAD students for certification. If you are interested in being a CAD proctor for World Class CAD and want information on our hourly rate to test and the cost of the certification please call the office numbers above. Office hours are Monday – Thursday 8:00a.m. – 4:00p.m. Our office number on Saturday is (614) 447-3069 with hours from 9:00a.m. – 3:00p.m.

Please sign and date on the line below and return this form in your enclosed envelope to be mailed. Thank You.

Sincerely,

Anita Brown, Executive Administrative Assistant
