

# Science Club Meeting

August 19, 2009 at 5:30 pm

In Room 501, we will meet from 5:30 to 7:30 pm to explore the art and knowledge of robotics. Come to the lab and our presenter will demonstrate a working and walking machine. After the short demo, we will have pizza and share ideas for this month's science competition. From 6:30 to 7:30, teams will have the opportunity to program and show off their robot.

If you will be attending the gathering, email Mike at [Robotoman@Bigcollege.edu](mailto:Robotoman@Bigcollege.edu). Tell us if you will bring an entire team or will want to join another. Also, give us an idea on your favorite drink and pizza topping.

**See you there!**
